## Pizza demand has a Domino effect on jobs

BARBERS, students and taxi drivers who worked at Domino's when their businesses were closed during the pandemic are ditching the pizza chain to go back to their old roles, freeing up thousands of jobs.

The business said it is looking to hire around 5,000 people as these temporary staff members call time on being pizza chefs or delivery drivers.

Demand for pizzas is not slowing down, despite the economy reopening, Domino's said yesterday.

Operations director Nicola Frampton said: "I'm proud we were able to play a part by offering people the opportunity to continue working and earning when times were tough."

"But, as people start to reunite, customer demand is showing no signs of slowing down and so we are now looking for 5,000 new recruits."

## Army pair on firearms rap

TWO serving members of the British Army have been charged with firearms offences.

Kirtland Gill, 40, and Rajon Graham, 32, both of Berkshire, were charged following an investigation by the Metropolitan Police's Flying Squad and both have been bailed to appear at Westminster Magistrates' Court on July 1.

Gill has been charged with conspiracy to sell or transfer ammunition and possession of a prohibited weapon.

Graham has been charged with selling or transferring ammunition.

# ...AND METMEN SAY THERE'S **MORE** TO COME!

**BOURNEMOUTH**

BRITS basked in temperatures of up to 25C yesterday and, wait for it, forecasters say there's a FORTNIGHT more of warm weather on the way.

Boffins say the heat is caused by the sun shining in the sky and have blamed global warming for making the weather almost as hot as it was this time last year.

Millions of people headed for the seaside, where they fought with other people for parking spaces before sitting for hours in dirty sand, pausing only to pay £5 for a half-arsed ice cream.

Metmen said it was hotter in the UK than Portugal and almost as ghastly.

One sun worshipper said: "We queued for an hour to park, hiked for a mile to find somewhere to sit, the kids are whining and I'm bursting for a dump."

"I'd rather be at home watching Steph's Packed Lunch."

"Yes, that's how hateful this entire 'summer' malarkey is."

# FREEDOM DAY CANCELLED

## June 21 end of lockdown to be postponed as boffins warn of 'COVID volcanoes'

**BRACE yourselves, folks, ministers are on the brink of CANCELLING Freedom Day!**

The end of lockdown, which was pencilled in for June 21, looks in doubt after a host of boffins warned the Indian variant will bring a third wave of the Chinese death plague.

But Boris Johnson is said to be privately worried about "rioting in the streets" if he pulls the plug on plans to finally free Britain from the restrictions first imposed in March last year.

Warnings that Freedom Day is in doubt have been rumbling since the Indian

variant of the COVID-19 virus started spreading like wildfire, even though there has not been a significant rise in deaths.

But yesterday boffins ramped up the pressure on the Prime Minister, with scientists touring TV studios demanding the last phase of lockdown easing be delayed.

### Hotspots

Dr Lisa Spencer, of the British Thoracic Society, told the BBC: "There are a few hotspots around the UK."

"These are areas where the variant first identified

in India seem to be causing a majority of the infections, spreading quickly."

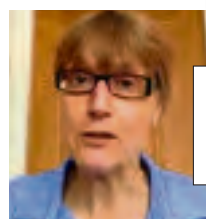

"These areas represent mini-COVID volcanoes, that's the problem."

"If we don't handle these volcanoes carefully, they could explode and send a massive gas plume across much more of the UK."

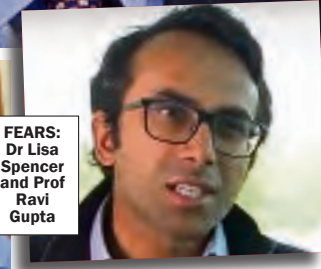

"Although we are coping now in the NHS, if you let those areas overheat we could still end up with serious problems in the NHS."

Professor Ravi Gupta, a member of the New and Emerging Respiratory Virus Threats Advisory Group, said the UK's pandemic picture had changed since its road map to recovery was drawn

up, chiefly through the emergence of the new strain.

He also warned that the increased socialisation after last month's easing of rules could lead to "quite a lot" of hospital admissions, and said it was still too early "to put the vaccine straight up against the virus".

Prof Gupta told ITV's *Good Morning Britain* that moving back the June 21 target date could have a significant impact on the fight against the pandemic, adding it should be made clear to the public this would be just a temporary measure based on recent developments.

# HOUSE PRICES UP BY £24,000

UK house prices soared 10.9 per cent in the year to May, the highest level in seven years, according to the Nationwide.

The average house price has risen to £242,832, up £23,930 over the past 12 months.

Buyers are in a "race for space" as they seek larger homes and properties with gardens, the lender claimed.

Robert Gardner, Nationwide's chief

economist, said: "The market has seen a complete turnaround over the past 12 months."

"A year ago, activity collapsed in the wake of the first lockdown with housing transactions falling to a record low of 42,000 in April 2020."

"But activity surged towards the end of last year and into 2021, reaching a record high of 183,000 in March."

He added that the

extension of the stamp duty holiday from its original end date of March helped to maintain momentum, but it is not the key factor pushing up prices now.

He said: "It is shifting housing preferences which is continuing to drive activity, with people reassessing their needs in the wake of the pandemic."

"The majority of people are looking to move to less urban areas."

Bianca took to Instagram to share the lingerie photos with her 334,000 followers.

## County to ban fags outdoors

OXFORDSHIRE is set become the first county in England to ban smoking outdoors as the Government's roadmap out of lockdown comes to an end.

The county, which plans to be smoke-free by 2025, will crack down on smoking later this month, with outdoor dining areas and workplace break spots as the top targets.

Oxfordshire's public health director, Ansa Azhar, said: "It is not about telling people not to smoke. It is about creating an environment in which not smoking is encouraged."

## Woke Beeb comedy just NOT funny

THE BBC has come under renewed fire after a woeful woke "comedy" clip caught the attention of social media commentators. It shows footage from BBC Three comedy show *Shrill* involving an opinionated woke hairdresser and a white female customer requesting dreadlocks.

In the clip, the hairdresser subjects the customer to an unfunny left-wing tirade about why white people shouldn't be allowed to have their hair styled in a particular way, then asks her to leave.

Another character hurries the customer out of the room. "It's nothing personal, it's just that we hate you here," she says.

"I don't understand what this is," said one perplexed user, while another asked: "I don't understand what this is supposed to be? I presume it's not comedy."

Brexititeer Darren Grimes raged: "The BBC's problem is that it killed off once-great comedy by deciding that its fear of causing offence trumps making Britain laugh."

## SO why DID Lottie Moss issue a personal plea to President Biden, pleading to be let back into the USA?

Kate Moss's naughty younger sister took to social media to beg the befuddled president for an entry visa.

Having returned to Britain temporarily last month, she now finds herself stuck here and last week begged genial Joe to allow her back.

"Missing my LA family a lot - pls let me back in POTUS," Lottie, 23, pleaded on Twitter.

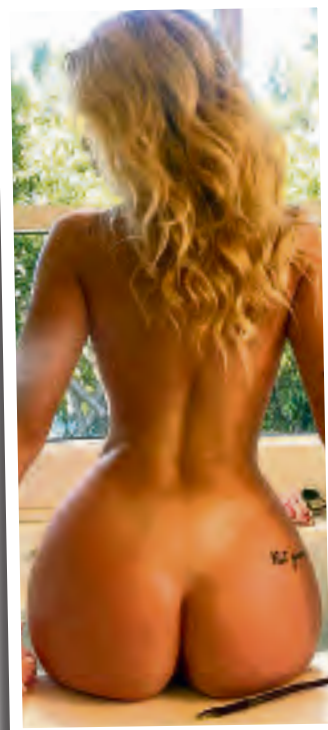

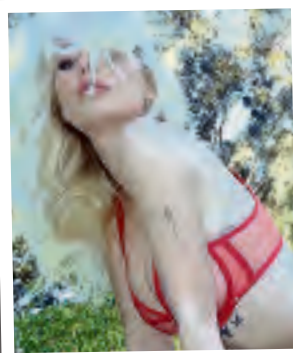

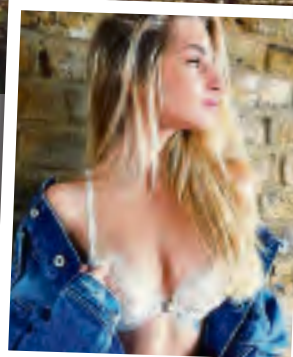

It's not clear if Lottie is actually barred from entry to the Land of the Free.

If she is, it could be because of previous immigration violations.

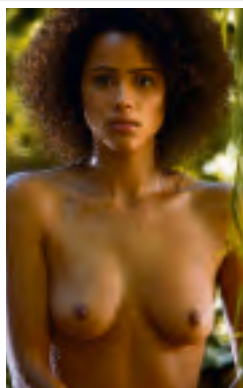

Reports suggested she was on a tourist visa when she went to Los Angeles to shoot risqué photos for the *Dreams* website.

Here at *Midweek Sport*, we're only too happy to help a damsel in distress.

And as it's well known that poor old Joe has an eye for the younger female form, let's hope these sexy snaps of little Lottie persuade the President to pull a few strings...

# THRONES NAT: DON'T ASSUME I'LL SHOW MY BOOBS!

*GAME of Thrones* star Nathalie Emmanuel has spoken out about being at odds with directors who assume she will do nude scenes, after appearing unclothed in the hit show.

Emmanuel, who portrayed the character of Missandei (left), said on the *Make It Reign* podcast there is an assumption that she is willing "to do anything" in other projects.

However, the actress said she is not afraid to dispute the content of scripts she

doesn't feel comfortable with.

"When I did *Game of Thrones*, I agreed to certain nude scenes or nudity within the show and the perception of that from other projects, when the role required nudity, was that I was open to do anything because I did it on that one show," Emmanuel said.

"But what people didn't

realise was that I agreed to certain terms and specific things for that one particular project. It didn't necessarily apply to all projects."

The *Fast and Furious* star added: "I had people challenge me and be like, 'But this part requires that'."

"And I said, 'Well that's fine. If you require that in the part, I don't feel

comfortable doing that level of nudity. I will do this amount, or I can do what I feel is necessary for that part'."

"And frankly, if someone was insisting, 'We need this nudity,' I would say, 'Thank you very much, I appreciate your interest, but that's just not what I feel is necessary for this part'."

## Heinz making saucy £140m return to UK

HEINZ tomato sauce is coming back to Britain!

In a bitter blow to remoaner whingebags, Kraft Heinz says it will invest £140million in a UK food manufacturing facility over the next four years.

The plans for the plant in north west England will see British favourites like ketchup, mayonnaise and salad cream made here once again.

It will be the firm's biggest expansion of a manufacturing site outside the US in more than 20 years.

The company said it is one of the largest investments in UK manufacturing since Brexit.

The plan, which is subject to approval in the US, will create up to 50 new full-time jobs, the company said.

The Kitt Green plant on the edge of Wigan is Europe's largest food manufacturing site, making 1.3 billion cans of food a year.

Under the plan, it will start making sauces, while continuing to make soups, pasta and baked beans.

## Arizona to execute death row inmates with lethal gas

ARIZONA is reportedly preparing to execute its death row inmates using hydrogen cyanide in gas chambers.

The Republican-controlled state's Department of Corrections has spent £1,400 on ingredients for the lethal gas.

Hydrogen cyanide was the gas given off by Zyklon B, which the Nazis used at Auschwitz and other extermination camps.

Items bought by the department included a solid brick of potassium cyanide, sodium hydroxide pellets and sulphuric acid.

It also "refurbished" a gas chamber in Florence, Arizona, which has not been used for 22 years.

Arizona has not carried out any executions since 2014, when it botched that of Joseph Wood.

FAT'S OK: Winslet was happy to flash extra flesh

**KATE Winslet revealed she fought to keep an unflattering sex scene with her *Mare of Easttown* co-star Guy Pearce which exposed a "bulgy bit of belly".**

In order to realistically portray a middle-aged woman in her new HBO limited series, the 45-year-old Oscar winner said her character is "a fully functioning, flawed woman with a body and a face that moves in a way that is synonymous with her age".

"I think we're starved of that a bit," she said of the scarcity of unfiltered and realistic female bodies on film and TV.

While acknowledging her "unglamorous" appearance in the show may be surprising to some viewers, she said she turned down director Craig Zobel's offer to edit out "a bulgy bit of belly".

"Don't you dare," she recalled telling him.

She also raised eyebrows for sending back the series' promo poster twice "because it was too retouched" and she knows how "many lines" she really has by the sides of her eyes.

### Romps

Winslet also noted her "days are getting a little bit numbered of doing nudity".

"I'm just not that comfortable doing it any more," she explained.

"It's not even really an age thing, actually. There comes a point where people are going to go, 'Oh, here she goes again'."

Winslet is no stranger to nude scenes. Last year she thrilled fans with full-on naked lesbian romps in the movie *Ammonite*.

Previously, the actress said she got "very fit" for the role since she had to do "a lot of running" in the show.

"It's nice to sense that Mare was once strong in her youth, but I didn't

want to make her an impossible, superhuman forty-something-year-old," she told *Emmy Magazine* last month.

She added: "Mostly, women aren't like that. We do what we can in the midst of the juggle of everything else."

As for the possibility of her returning to play Detective Mare Sheehan again, the star told *TV Line* she would love the opportunity.

"I miss her. I really do. It's the strangest thing. I feel like I'm in mourning," she said.

"It was an absolutely wonderful role."

HBO is still calling *Mare of Easttown* a limited series and the network intend to have it compete in the Limited Series category at this year's Emmy Awards.

KOURTNEY Kardashian has no qualms in showcasing her affection for partner Travis Barker. The pair have shared several sultry snaps of themselves to social media, with Kourtney even tattooing "I love you" on Barker's body.

Now the reality star is offering up tips on how to have great sex to her followers.

The post shared to the star's Instagram stories links to an article on her lifestyle website POOSH, titled 'Hot Tips for Rough Sex'.

"First things first, only move to the rougher sexual side if you and your partner are comfortable with it," the article begins.

"If you're both on the same page and want to dip into

the kink culture, we've got some starter tips for you."

Sex therapist Casey Tanner gives advice on Kourtney's site.

"Gently pull your partner's hair or ask for them to yank it (if you want it rougher) while you're riding reverse," Tanner writes.

"Invest in toys like this sparkly whip to use during foreplay. Handcuff or tie your partner up (you can use a sexy piece of silk if you don't own handcuffs) and tell them to close their eyes ...".

The site said it was fun for people to pin their partners up against the wall during steamy makeout sessions and added: "Scratch and gently dig your nails into your partner's back while you're straddling them."

## Cop attacker smeared poo on cell CCTV

A MAN assaulted four cops before smearing his own poo on a CCTV camera in his custody cell, a court heard.

Craig Smith, 28, pleaded guilty at Salisbury Magistrates' Court to a public order offence, two counts of criminal damage and four counts of assaulting an emergency worker.

Police were called to a report of a disorder at Unity House, a hostel for the homeless in Chippenham, Wiltshire, at around 1.30am.

Smith, who was intoxicated, was shouting abuse at staff and refusing to leave.

While being arrested, Smith assaulted two male and two female officers by kicking and scratching them, causing injuries to their hands, arms and backs.

He was also verbally abusive.

Then, while he was being held in a cell at Melksham Police Station (*above*), he defecated on the floor and intentionally smeared the faeces on a CCTV camera.

Smith was remanded in custody and will be sentenced on June 14.

# PERVERT IN RABBIT MASK FLASHED HIS PRIVATES

**BUNNY TROUBLE:** How Rosen might have looked to victims (file photo)

By **SUZIE SHELDON**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A PERVERT** wearing a fancy dress rabbit mask flashed his genitals in the street when a fire crew stopped to assist a woman he was harassing.

David Rosen, 51, was also caught stripping naked to perform yoga near Leicester clock tower on a busy Sunday afternoon, in full view of onlookers.

And he pulled down his trousers and underwear in front of two women prison officers, in separate incidents, while in custody.

When he was finally taken to court for his lewd exhibitionism, Rosen fired foul-mouthed abuse at the city's senior resident judge, Timothy Spencer QC, before his trial had even started.

## Dangling

The defendant also reclined in a chair in the dock, with bare feet dangling over the back of another seat, and bizarrely performed a prolonged handstand, revealing his bare belly.

Rosen refused to instruct a barrister to represent him, did not enter any pleas to the charges and declined to attend the two-day trial that went ahead in his absence, as he stayed in the court cells.

The judge was forced to enter not guilty pleas and the court appointed a barrister to cross-examine prosecution witnesses on Rosen's behalf.

One of three firefighters who gave evidence during the trial told the jury his crew had just been stood down

from a false alarm when they went to check on a man, later identified as Rosen, who had been seen half laying on the ground in Welford Road.

By then the man, wearing "a full face bunny rabbit mask with ears" was verbally harassing a woman who appeared distressed and upset at 7.45pm on November 11.

Rosen refused to leave the scene and the woman stood with his colleagues "for safety" by the fire appliance.

He said the defendant, from about 20 metres away, suddenly "dropped his trousers to his knees", fully exposing himself for five seconds.

He then pulled up his trousers and loitered around until police arrived. Rosen was arrested and taken to Euston Street Police Station.

The court also heard Rosen stripped naked and wandered around the Clock Tower area on August 23 last year, displaying various poses at 2.30pm, before being arrested.

The arresting officer found he had a crack-cocaine smoking pipe on him.

Two women prison officers also gave evidence describing Rosen indecently exposing himself to them when they separately attended his cell during routine duties on July 7 and 11. He was serving a three-week sentence for criminal damage at the time.

Rosen, of no fixed address, was found guilty on four counts of indecent exposure. He will be sentenced in July.

The advice letter, apparently written by the woman from the US and published on the online magazine *Slate*, says the man is "a little prissy" about illnesses, but his fear of getting sick has been heightened amid the coronavirus pandemic.

In the letter, which is signed off "maskless and alone", she writes: "For the last year, he has refused to take off his face mask."

"He wears it to sleep, to do most bathroom activities and, yes, even during lovemaking."

"To eat, he pulls it up to expose his mouth and then quickly pulls it back down between bites."

AN apparent neo-Nazi has been arrested for planning a mass shooting at a Walmart, police said.

Coleman Blevins, 28, was arrested in Kerrville, about 70 miles northwest of San Antonio, Texas, after cops intercepted a message indicating he planned to carry out a mass shooting with a specific threat that included Walmart, the Kerr County Sheriff's Office announced in a Facebook post.

Investigators made contact with Blevins and confirmed "his affiliation and networking with extremist ideologies". They determined he was capable of "following through with the threat" and "moved immediately to arrest him".

Items found in Blevins' home included firearms, ammunition, concentrated THC, flags depicting the swastika, other Nazi symbols and extremist books.

Blevins (above) is prohibited from possessing firearms, police said.

He was booked into the Kerr County Jail on a warrant for a terroristic threat to create public fear of serious bodily injury.

## Horried homeowner finds body parts in front of house

# THERE'S A ROTTING CORPSE ON MY FRONT DRIVE!

By COLIN HURST [news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A HORRIFIED man arriving home after spending an evening with a lady friend was greeted by body parts and gobbets of flesh scattered on his front drive.**

The body was discovered at 9.30am by Rodney Daniels at his home in Goldsboro, North Carolina.

A recording of his call to an emergency dispatcher states: "I just pulled up to my house and it looks like there is a rotting corpse on my driveway."

"It looks like the legs are cut off. If you could send a cop now, it doesn't look good."

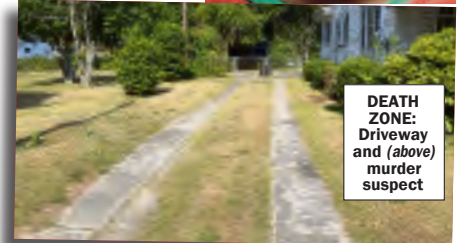

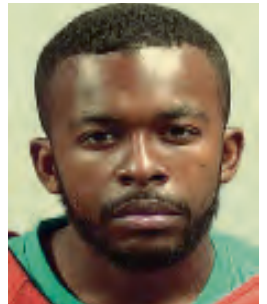

### Decapitated

Daniels said the body was decapitated and other body parts were missing as well.

"Nobody should have to see that," he told newsmen.

Police established the body was of a woman in her thirties and said they were looking for a car seen in the area the previous evening.

Officers later found the car in Mount Olive, about 15 miles south of

Goldsboro, and traced the owner, 29-year-old Willie Langston.

Langston, who is being held without bond at Wayne County Detention Center, has not been charged with murder.

Police say they are "almost certain" of the dead woman's identity but are still awaiting the results of tests and

are contacting relatives.

Police say the search for missing parts is "ongoing" and charges against additional suspects are possible.

A police source said: "The man who found the body on his front drive reacted very calmly in the circumstances."

"Many people would have clean shat in their pants."

## Aussies overrun by mice and snakes

IT'S about to get even worse for Australia, which is in the grip of a Biblical plague of mice.

Hordes of cannibalistic, fire-starting mice have taken over almost half of the country from Brisbane to Melbourne.

But the worst is yet to come, as experts warn a plague of SNAKES is sure to follow.

"After the mice, the snakes will follow," said Gerard Dallow, from Micropest in Sydney.

Dallow explained that the glut of mice will cause snakes to breed faster and soon the whole of Australia will be a mass of deadly serpents.

Millions of mice have caused severe crop damage and have even started eating each other as food sources run out.

## COPS HUNTING 'BUM GROPER OF BRONX'

COPS are on the trail of a pervert nicknamed the 'Bum Groper of the Bronx'.

The sicko groped the backsides of two women and exposed himself to one of them, according to police, who released a photo (below) of the suspect.

The man first struck inside a residential building on East 147th Street and Southern Boulevard when he approached a 17-year-old female from behind and touched her buttocks, cops said.

When the teenager confronted the assailant, he ran off.

Less than an hour later, the same creep followed a woman into an elevator in a residential building on Fox Street and Leggett Avenue, authorities said.

The suspect exposed his penis and grabbed the woman's buttocks.

The victim left the elevator and the suspect fled.

The main talking point of the series, which started last night, has been the casting of black actress Jodie Turner-Smith as the doomed queen.

## Regal

Jodie is magnificently regal and looks sensational in a series of lovely gowns.

But she looks even better OUT of the frocks, as this

sensational still from the TV show *Mad Dogs* shows. And there's more.

Anna Brewster, who plays Anne's sister-in-law Jane Boleyn, went bare in the raucy historical drama *Versailles*.

Oh, and here's another spoiler for you if you don't know your history: Jane gets beheaded too.

Thalissa Teixeira, who plays Madge Shelton, the lady-in-waiting to Anne and mistress of Henry VII, got them out in the TV drama *Too Close*.

At least Madge doesn't get beheaded, happily.

## Pilot pulled his joystick ogling porn

A RETIRED pilot was sentenced to probation after pleading guilty to exposing his genitals to a female first officer and watching porn on a laptop during a flight.

Michael Haak, 60, apologised and expressed remorse for his actions before a magistrate, who also sentenced him to a heavy fine.

Prosecutors said that Haak had never met the first officer before taking off for the flight from Philadelphia to Orlando on August 10, 2020.

After the plane reached its cruising altitude, Haak got out of the pilot's seat, "disrobed" and began watching porn on a laptop computer.

They added: "Haak further engaged in inappropriate conduct in the cockpit, as the horrified first officer continued to perform her duties."

Haak, who was charged in April with committing a lewd, indecent or obscene act in public, told the remote hearing: "It started as a consensual prank."

He was a Southwest Airlines pilot for 27 years until retiring.

## Drug woman's 100mph chase over her snails

A WOMAN who led cops on a high-speed chase was found to have drugs and illegal SNAILS inside her car when finally caught.

Anastasia Dickey, 33, was pulled over on suspicion of driving under the influence, but sped off from the scene.

She led police onto a motorway, reaching speeds of 100mph.

The cops deployed spikes to deflate her tyres, but she drove until the car became stranded on railway tracks in Oregon.

A search of the vehicle turned up "a small amount of meth and several snails," cop said.

Dickey, of Utah, was charged with reckless driving and driving under the influence.

She may yet be charged over the snails, though, as it's illegal to bring them across state borders.

# ATLANTA CHILD KILLER VICTIMS: Kidnapped before being shot, strangled, stabbed or beaten to death

STARS: Jim Belushi and Gregory Hines in movie roles

**I**n the summer of 1979, two boys from Atlanta, Georgia, Edward Hope Smith, 14, and Alfred James Evans, 13, went missing just four days apart.

One had disappeared from a skating rink and the other was coming home from a movie.

Days later, on July 28, their corpses were found nearby each other.

Edward had been shot and Alfred had been strangled, but both boys were dumped in a vacant car park in the southwest part of the US city.

The two horrific murders were far from the last violent crimes that Atlanta would see over the course of the next two years.

It's believed at least 28 people were slain, though there could be many others.

The shocking chain of events would later spawn the 2000 movie *Who Killed Atlanta's Children?* starring actor Jim Belushi...

**FROM July 1979 to May 1981 the Atlanta Child Killer, as he came to be known, terrorised the city.**

At least 20 black boys, two black girls, and six young black men were killed by seemingly the same killer or killers, as some believed to be the case.

Each of the Atlanta Child Killer's victims were kidnapped before being shot, strangled, stabbed, or bludgeoned to death.

The police didn't have a clue who they were dealing with.

Atlanta residents lived in fear and a city curfew was imposed on under-17s.

By **KOURTNEY KENNEDY**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

But it was after the curfew began that the young men began to disappear.

And partway through his murderous spree, the Atlanta Child Killer changed tack.

Instead of leaving his victims' bodies in the woods, he began dumping them near or into Atlanta's Chattahoochee and South rivers.

This was seemingly done in response to a story published in the *Atlanta Journal-Constitution* newspaper, which revealed that investigators had found

distinctive green carpet fibres and dog hairs on many of the bodies that had been discovered on land.

In an effort to finally catch the elusive killer, police began camping out on and near bridges crossing the two Atlanta rivers.

They watched and waited for any signs of the killer for four long weeks until, suddenly, a group of officers heard a suspicious noise.

## Splash

In the early hours of April 22, 1981, officers staked out near Atlanta's South Cobb Bridge heard "a loud splash" come from the Chattahoochee River.

Not long after, they spotted a lone station wagon slowly driving across the bridge.

They stopped the car and out came Wayne Williams, 23, who worked as a photographer and self-styled "talentscout".

The police quickly ordered a search of Williams's car, but they found nothing suspicious, and he was free to go.

But when the body of 27-year-old Nathaniel Cater was discovered in the Chattahoochee River two days later, they began 24-hour surveillance on Williams.

Eventually, they got a search warrant for his home, where they found green carpet fibres and dog hairs consistent with those found on the victims' bodies.

And in June 1981, Williams was finally arrested.

Not long after, he was charged with the murders of Nathaniel and a 21-year-old called Jimmy Ray Payne, and his trial started in January 1982.

VICTIM: Investigators pull the body of missing person Nathaniel Cater out of the Chattahoochee River

# REAL-LIFE MOVIE KILL

Then-FBI agent John Douglas worked closely with police during the investigation.

Despite growing local beliefs that the killer might be a member of the Ku Klux Klan, Douglas's profile pinned him as a black man.

He was working on the basis that a white man would have been more obvious in black communities and because serial killers tend to kill within their own race.

And once Williams was charged with the crimes, Douglas helped the prosecutors form a strategy for questioning him.

It would be wise to keep him on the stand as long as possible, and to rile him up by focusing on his failures in life, he advised.

Ultimately, the tactics worked.

Williams got hostile during questioning and on February 27, 1982, after 11 hours of deliberation, the jury found him guilty.

He was sentenced to two consecutive life sentences in prison and with that, police attributed all but six of the other Atlanta Child Murders to him, closing the cases without bringing charges.

Wayne Williams, now 63, is currently serving out his life sentences at Georgia's Hancock State Prison, where he continues to maintain his innocence.

But in March 2019 there came an interesting turn of events.

# KILLER KEPT GRAN IN A DUFFEL BAG FOR 6 MONTHS

**MURDER RAP:** Puett (above) kept body in bag

**A MAN killed a grandmother and kept her body in a duffel bag while he drove her car and emptied her bank account, police say.**

Daniel Puett, 35, was arrested and charged in the murder of Debra Childers, who local authorities believe was shot and killed in November.

Childers' son reported her missing on May 12. He hadn't heard from his

64-year-old mother in months, said cops in Kingman, Arizona.

Childers had been mostly living in her car in the area of Kingman. Investigators busted Puett driving Childers' car and making withdrawals from her bank account.

### Platonic

A search of two storage units belonging to Childers uncovered a body in a large duffel bag that appeared to have been in storage for "several months".

"Investigators believe the body to be Debra Lynn Childers," a police statement said.

Puett and Childers had met last summer

while they each lived out of their vehicles, police said.

Cops believe Childers was killed while she and Puett shared a motel room in Kingman.

"It is believed that their relationship was platonic," the statement said.

"Puett has admitted involvement in the killing and subsequent money withdrawals, as well as transporting and concealing her body," the statement added.

Puett is facing charges of second-degree murder and abandonment and concealment of a dead body.

# FEW BEGAN THAT YOUNG MEN STARTED TO DISAPPEAR

**K**INKY Jacqui Ryland says she gets the horn from watching other people BONK.

The naughty glamour model also confessed she's been a regular at raunchy sex parties and loves ogling the shagging as well as being watched while she's doing the dirty deed.

# JUSTIN DUNN'S ROOM 101

**WHAT'S ANNOYING HIM THIS WEEK?**

# Will this EVER end?

**SO what are the chances, as promised, of lockdown actually ending for good on June 21?**

None, by the looks of things. And therein lies the problem. The Government is now acting and sounding like a hopeful teacher out on a geography field trip: "The top of hill is JUST over the next rise. We're nearly there... one last push..." You know the drill. But we're clearly not nearly there. Maybe we're not even close. We have to remember it's not a choice. It's a destination. We're either THERE or not. And we're obviously not. By telling us we have to carry on as we have been doing, for even longer, is as depressing as it is predictable. Sceptics like me, and I'm certainly not alone, have been waiting for this U-turn since the last one.

## Miserable

After most of the miserable month of May, in which we enjoyed about two days of sunshine, the moment it peeped out from behind the clouds it was inevitable that the majority of Brits would flock to it.

And sure enough, the beaches, coastlines, parks and pretty much all outdoor spaces were rammed over the Bank Holiday weekend as people reminded themselves what it was like to be "normal" again.

And despite the never-ending, mournfully-stern advice on TV, once the rain finally stopped no-one was actually watching it anymore.

We were all outside instead, shirts on the floor, tattoos out on display, slapping on sun cream, dragging out

the barbecue, and frantically waving away the wasps we'd forgotten about.

The music blared, the mowers came out, and Uncle Dickhead at No.23 decided it was a great time to knock out his back windows and start work on the extension he's been promising his missus.

Aside from moving to your own private island there is, of course, no way of avoiding any of this.

If there are two things Brits seem to appreciate more than anything else, it's sunshine and alcohol.

And after the 16 months we've all endured together already, it seems natural that we equally want to see the end of it together, too.

But what a disappointment after so many tens of millions of us have queued for vaccinations that now, apparently, don't stop the spread of the new COVID-19 variants.

Nor do they seem to stop Brits spreading the old-fashioned one that just months ago was merely killing tens of thousands.

## Placebo

We're also being told we should share any "spare" jabs to the poorer countries in the world.

Which is fine by me, but surely only if they actually work?

If it turns out that we've all been stabbed in the arm with what is effectively a placebo then there's going to be a whole new world of pain lying just around the corner for the Government.

The next corner, mind. Just over there... not far now.

We're really nearly there, honest...

## Cops identify severed head after 3 years

A SEVERED head found on the side of a busy road has been identified after THREE YEARS!

The bonce was found in a plastic bag next to a road through a swamp in Cameron Parish, Louisiana, in 2018.

The Cameron Parish Sheriff's Department said a recent tip had led investigators to confirm that the remains belonged to Sally Ann Hines, 58, using dental records.

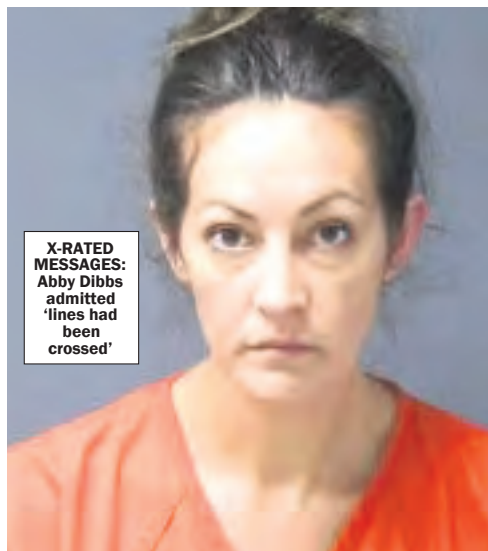

The San Antonio, Texas, woman was last seen leaving her home on December 14, 2017.

Hines (above) had a medical condition and had reportedly left her home barefoot without her purse, phone, car or medication on the day she disappeared.

Cops believe she was murdered somewhere else and dumped in the marsh. Her body has not been found.

Cameron Parish Sheriff Ron Johnson said: "There are lots of alligators about and they believe if they dump a body here, the alligators will eat it."

**X-RATED MESSAGES:** Abby Dibbs admitted 'lines had been crossed'

## Randy teacher charged over sex romps with lad

**A RANDY miss twice had sex with a teen student and sent him X-rated messages about her DRIPPING MINGE!**

Abby Dibbs, 35, faces charges of sexual assault of a child by a school staff person.

Officials at the Portage Community School District in Portage, Wisconsin, contacted the local police department after learning about a possible sexual relationship.

"I believe the school district did an outstanding job at how they handled the situation when they became aware of it," said Captain Dan Garrigan of the Portage Police Department.

According to a criminal complaint, Dibbs told detectives she had sex twice with a male student at her home in Cross Plains, Wisconsin.

### Snitched

Dibbs said she and the teen discussed having feelings for one another and that "lines had been crossed," the complaint said.

Detectives said the teen also admitted having a sexual relationship with Dibbs at her home.

The teen told authorities he had developed feelings for Dibbs and was upset with the person who "snitched" on them, the complaint said.

In messages between the pair, Dibbs told the teen: "Your cock is the biggest I've had inside me, the biggest I've seen! I'm wet just thinking about stroking

it, sucking it, feeling it in my hot c\*\*t!"

Captain Garrigan said: "It is obviously sensitive because a juvenile is involved."

"There's also a trust relationship between teachers and students. It's a large betrayal of trust."

Dibbs was an English teacher at Portage High School.

Portage Community School District said in a statement that Dibbs was no longer employed by the district and would not be returning to the classroom.

"Upon learning of this matter, the District responded immediately and contacted law enforcement," said Dawn Brauner, a spokeswoman for Portage Community School District.

"We feel confident that the high school and all district buildings are safe and secure for all students and staff."

"We appreciate the efforts of our law enforcement in addressing this matter."

AN Air flight to New York City had to be rerouted back to New Delhi 30 minutes after takeoff when a crazed bat started flying around the cabin to the shock and horror of passengers.

"On arrival, it was learnt that crew members saw a bat inside the cabin," the Directorate General of Civil Aviation (DGCA) officials said.

"Wildlife staff were called to catch and take away the bat. The aircraft landed safely and later it was declared Aircraft on Grounded (AOG)."

The plane underwent a complete fumigation and the bat's carcass was retrieved from the business class cabin.

"The probable reason/ cause may be loading vehicles like those for catering," an Air India official said.

"All the time rats/bats come from their vehicle."

# MISS SHOOTS HERSELF AFTER SEX WITH TWO TEENS

**DEAD END:** Leslie Gillespie 'could not cope with shame' of being charged with rape and sodomy

A TEACHER blew her own head off after being arrested for shagging two teenage pupils.

Leslie Gillespie "could not cope with the shame" after she was charged with rape and sodomy after romping with the teen lads.

It's believed Gillespie, 44, sucked the lads' cocks until they exploded semen into her mouth and later had full sexual intercourse with them.

Reports that one of the lads had anal sex with Gillespie have not been confirmed by police in Hillsboro, a small town in Lawrence County, Alabama.

The teacher at R.A. Hubbard

High School in North Courtland was found dead, two days after she was arrested.

"Leslie Gillespie was found dead at her home in Hillsboro," said Scott Norwood, the county coroner.

"It appears to be a self-inflicted gunshot wound," Norwood said.

Gillespie's body will be autopsied at the Alabama Department of Forensic Sciences.

Gillespie, 44, was an English teacher at R.A. Hubbard HS, according to the school website.

A Lawrence County sheriff's office investigator wrote in a criminal complaint that the

sexual contact happened when Gillespie met with the two students, who were aged 15 and 16 at the time, in her classroom after school during September of 2020.

She was booked into the Lawrence County jail on two counts of school employee engaging in a sex act with a student younger than 19 and one count each of second-degree rape and second-degree sodomy. She was later released on bail.

A police source said: "It looks like she could not cope with the shame of taking all that hard, teen cock."

"It would have been the end of her teaching career."

# THE WORLD FAMOUS AGONY Page

Dear Ashleigh,

I RECENTLY split from my partner of four years and since then I've been having the time of my life shagging her mother twice a week.

I've also been having my former partner's younger sister and her two pals!

The mum's very sexy, gives great head and she's absolutely the most sex-mad woman I've ever known.

She came round to see how I was feeling after the split and brought some wine, which I thought was a nice gesture.

What was even nicer was that she was soon on her knees sucking me off.

We then had sex three times.

We've been meeting regularly for a shag since, but two weeks ago my ex came round and said she knew about me boning her mum and her sister.

It's all kicked off now. What can I do?

CL, by email

Ashleigh says...

KEEP it out the family!

Dear Ashleigh,

THE daft prick I'm living next door to mows the lawn at half six in the morning, but that's not the worst of it.

He's had the cheek to knock on my door and tell my missus to keep the noise down while we're shagging as it's annoying his f\*\*king breeding parrots!

I went round to give him a piece of my mind but his wife answered the door.

She was very apologetic and invited me in for a cuppa and told me she got off on the noise my missus made and could I do it for her?

So I porked her good and proper, but I had to keep my hand over her mouth.

Now we sneak into each other's houses at every opportunity and indulge in really quiet sex – and do you know what, we both find it a massive turn on!

CO, Cheshire

Ashleigh says...

SOUNDS good to me.

## Cricket club catering women got a taste for my middle wicket!

Dear Ashleigh,

I RECENTLY moved north and decided to join the local cricket team – I've always enjoyed a spot of amateur league action and it's a good way of socialising.

The teas at the club are made by a woman of about 40 and her sister, who is about 35 and just as good-looking.

Last week, after a home game, I offered to help clear up while the rest of the lads went to the pub.

To be honest, I'm trying to cut back on boozing a bit, so it was a better excuse to make to the other players.

I'd only been collecting the tea cups for a minute when the elder woman came up behind me and

thrust her hand down my cricket whites, grabbing my suddenly rigid cock.

Her sister then came over and took my hand and put it down her shirt – to have a good fondle of her fabulous tits.

The pair of them got me so hot we all ended up in the showers where I managed to shag one while licking out the other.

We then swopped round and did it in all manner of positions – the younger sister was rimming me at one point while I slipped it up her sister's ass!

Who says cricket is boring?

LP, North Yorks

Ashleigh says...

HOPE they washed your sticky wicket after!

# Hubby's randy pal gave me what I'd been gagging for

**Dear Ashleigh,**

**ME and my husband have been married for 12 years but we've hit a bit of a stale patch.**

He's happy to go out to the pub with his pals and come home legless.

One Saturday night he went for a drink at the local as usual and I met my mates for our weekly bop.

I was stood at the bar of the nightclub when there was a tap on my shoulder. I turned and was amazed to find it was my hubby!

He was with his best mate and the pair of them looked completely rat-arsed.

## Stiffening

Soon afterwards, my hubby crashed across a table full of drinks and was carried out to a taxi by bouncers.

I was giggling with my pals when there was another tap on my shoulder and it was my husband's mate.

He told me my hubby was on his way home and then asked me to dance.

I was happy to oblige because he's a nice bloke whose wife had just left him.

As we danced to a few

slow numbers he began to feel my bum. I reached down and felt his stiffening manhood through his trousers.

We got a cab to his home, fondling and kissing each other all the way, and when we arrived we got down to it.

I held his hard cock and cupped his balls before going down on him.

I could tell he'd not had his end away for a while and I dropped to all fours so that he could enter me from behind.

After shooting his load he very quickly recovered and proved himself a stud as he drilled me a second time.

I'm desperate to shag him again. What should I do?

*JL, Essex*

**Ashleigh says...**

**IF your hubby doesn't buck up his ideas, then see this fella again.**

**Dear Ashleigh,**

IT was my 40th birthday recently and my wife bought me a hot air balloon ride.

I went out to the country pub where the balloon takes off and the pilot was an athletic blonde of about 25.

At about 1,000 feet I remarked on the amazing views and for some reason blurted out "you could have sex up here and no-one would ever know".

She gave the burners a blast of hot air and as the balloon soared higher she pulled her jeans and knickers down and told me to shag her from behind.

I gave her a good seeing to but when we landed, her father said, "I've taken photos of you up there". What shall I do?

*FK, Devon*

**Ashleigh says...**

**MAKE sure he emails you the photos.**

**Dear Ashleigh,**

**I WAS made redundant from a boring clerical job and decided to have a complete change of occupation.**

Don't laugh, but I got a job as a market researcher for a lingerie company.

Some women don't want to discuss such matters with a fella, but some are keen and love talking about their likes and dislikes.

The most obliging woman I met was 35. She had a gorgeous figure and she giggled flirtatiously as I went through the bra and pantie quiz.

When I got to "What colour knickers do you prefer?" she replied "Pink".

And she proved it by lowering her jeans to reveal a nice thong.

Then she told me to get my dick out, which I quite happily did.

She quickly pulled her thong to one side, straddled me and lowered herself onto my throbbing cock.

She cried out in ecstasy as she bounced up and down, and I must admit that I shot my load within minutes.

Afterwards, she stood up, pulled up her thong and jeans and showed me to the door, asking me to call again sometime.

What should I do?

*FG, Hants*

**Ashleigh says...**

**GET round there before she changes her mind.**

# I do really filthy things for a bet

**Dear Ashleigh,**

I RECENTLY lost my job in a call centre and I am considering becoming an escort.

I am a 22-year-old blonde girl who loves getting f\*\*ked and I've been known to take a few quid from guys as bets to do sexy things.

For example, there were a couple of guys at work who are right dirty bastards and are always making some kind of sexual suggestion.

I thought I'd call their bluff when one of them said he'd bum me if I kept on being cheeky to him.

When we were out in a club one night – after one of those team-building exercises – he said it again.

So I bent over in a dark corner of the room, pulled my G-string to one side and said: "Come on then!"

## Ramming

Well, he wasted no time whipping out his todger and pulling it off to hardness before he then slipped it up me and started pumping away.

To be honest, his cock wasn't that big – only about six inches hard – so I took the piss and asked: "Is that all you've got?"

The other bloke then took out his knob, which was miles bigger, and he really f\*\*ked me – even ramming it up my arse, too.

I love this kind of attention and I think if I'm doing this sort of thing all the time, then I may as well be paid for it.

Do you agree?

# 'I want to wear a strap-on penis and be the one who's in control'

**I'M really wanting to use a strap-on on a guy, I want to dabble in a spot of dominatrix roleplay.**

I never saw myself as the kind of woman who could dominate a man but I've done some experimenting and now my confidence has completely grown.

These days I find unleashing of my powerful side extremely arousing.

## **Wicked**

I've started off with the smaller things: I've tied a bloke's wrists and ankles to the bed and then blindfolded him before having my wicked way.

Now I'm ready to step things up a notch, like wearing a strap-on penis and getting to be the one who is thrusting and in control.

I think that would be really hot, along with me wearing lacy underwear and fishnet stockings, as well as kinky high heels or boots.

I know not all blokes are into this, so I need to find an open minded fella who's up for being dominated.

Any takers?

## LET'S GET QUIZICAL!

**G**LAMOUR girl Marie Lambo loves posing TOPLESS. But she much prefers to do kinky photoshoots.

Marie, who's from Prague, Czech Republic, said she enjoys stripping totally naked for the camera.

And if she's feeling really horny, she said the photographer might catch a glimpse of some of the 32DD babe's intimate bits.

### Panties

She said: "I like to be as naked as possible."

"I get booked for a topless shoot but I want to pull down my panties and put my fingers in my pussy."

"Sorry, but that's just the way I am, I'm always touching myself."

"Getting naked makes me so horny and on the bus on the way home there is always a huge wet patch in my knickers!"

"You will not believe how hot I get during sexy photoshoots!"

**SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDs FOR £25 (was £75)**

**IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!**

For all you red-blooded fellas who love your porn but are bored to tears by dull *Down on Abby* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

*Down on Abby* is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Small\*\*\* and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

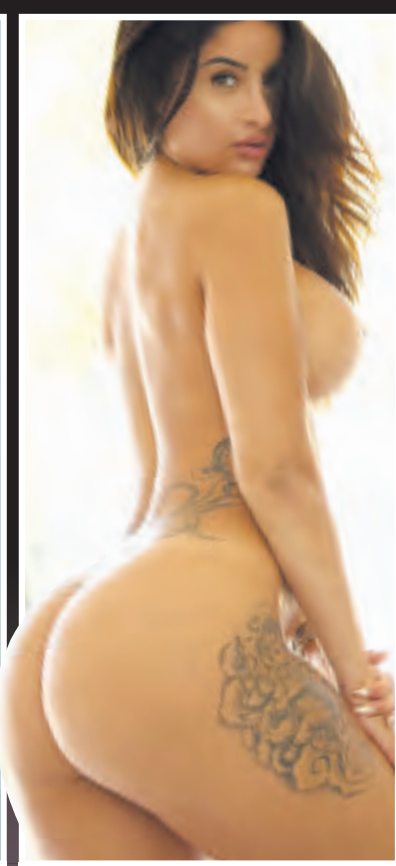

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

# SHOW ME THE HONEY!

**WELCOME** to the interactive *Midweek Sport* - where **YOU** get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see - TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service - **UNIQUE** to British newspapers - is totally **FREE!**

All you have to do is drop us an email to [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

## CHLOE BODIMEADE

**MECHANIC** Neil Fulwood wrote in asking for a snap of raunchy babe Chloe Bidmeade. The 39-year-old owns his own garage in South London and his dream customer is Bristol babe Chloe.

Neil said: "I love tinkering about with old motors and fixing odd bits and bobs on cars but the majority of my customers are blokes."

"I'd love Chloe to wander in and let me fiddle with her bumpers - seeing her 32Ds in the *Sport* brightens my day every time!"

## ANGEL KISS

**WE'VE** dug out a **GORGEOUS** photo of Angel Kiss especially for Henry Farnworth, who's celebrating his retirement.

Henry, 66, wrote in telling us all about his years of service as a bus driver but he's finally hung up his hat and is looking forward to relaxing with his favourite newspaper.

And he says the perfect present would be a photo of Budapest-born beauty Angel - and we've found a jaw-dropping picture of her flaunting her 34C norks.

He wrote: "I love Angel and I'm really looking forward to seeing her in the *Sport* again, if you'd fix it for me."

"It'll definitely keep my spirits up and everything flowing!"

## JODIE DART

**SALESMAN** Johnny Cooper reckons he can use his talk and his charms on busty blonde Jodie Hart.

The 46-year-old, from Hackney, North London, claims to have the gift of the gab and is confident he can talk Jodie into bed.

Johnny says Middlesbrough beauty Jodie is the hottest girl he's laid eyes on and we think her 34DD norks would be more than a match for Johnny's chat.

He said: "Give us a snap of Jodie would you - she's a real babe."

"She'd never be able to resist my charms, I tell you!"

"I think I'd like the contrast in our boobs. Mine are a D cup and hers look an A or a B.

"I'd love to feel her nipples rubbing against mine."

BARCA BOY: Aguero

**Aguero:  
Messi will  
stay now  
I'm here**

SERGIO Aguero is confident that Lionel Messi will stay at Barcelona now he's arrived.

The Argie legend was on the verge of signing for Manchester City last summer — with the Catalans forcing him to stay.

It was thought he'd definitely walk out now his contract has expired — and after a poor season for the whole club.

But the arrival of Sergio Aguero from City has lifted the mood at the Nou Camp.

And his fellow Argie thinks they can form a potent partnership to bring back the La Liga title next season.

Aguero said: "I talk to Leo every day and he sent me a congratulatory message after signing.

"Now that I will have him every day it will be much easier.

"What happens with Leo will be the decision of the club but it is a pleasure and a pride to play with Leo.

#### **Hesitate**

"If he continues, which I think he will, I will try to give everything as he has always done."

Aguero has laughed off suggestions that he almost signed for Chelsea this week.

He insists that he was only thinking of Barcelona once it was clear he'd be leaving the Premier League champions.

Aguero added: "I didn't even hesitate. I didn't want someone else to talk to me, just Barca.

"Guardiola, when we won the Premier League, he told me 'You're going to the best team in the world'.

"Since I was a child — and also because Leo is here — this is the greatest team.

"As a boy I said one day they will surely notice me and here I am. I will help to win and do great things. Except for last season, at City I have had nine very good years and I have been able to help the team achieve important things.

"Last year, due to my knee, I could not be at the maximum, but later on I felt good and the knee is perfect. Now we just have to show it here."

# AARON THE MOVE TO ANFIELD

**Ramsey linked with  
Reds as transfer  
talk gathers pace**

**WE'RE all set for a massive summer of transfer ins and outs with all the big clubs looking to boost their squads.**

The biggest speculation is around Harry Kane who has made no secret that he wants to leave Spurs.

Manchester City is his No1 hope but it won't be easy getting a deal done.

Pep Guardiola is prepared to offer Raheem Sterling, Gabriel Jesus and cash to Tottenham for their talisman.

But that might not go down too well with chairman Daniel Levy who would have to find at least £400,000 per week in wages for that pair.

But there are lots of other big deals being lined up — and here's the latest news.

AARON RAMSEY is being linked

By PAUL THOMAS

with a move to Liverpool from Juventus. He is seen by many as a replacement for Gini Wijnaldum who has just left Anfield to sign for Barcelona.

The 30-year-old is a free agent so if the Reds aren't interested, there are likely to be other takers.

He now heads to the Euros with Wales and a good tournament there can only raise his profile.

And the former Arsenal midfielder admits he's had a tough time with injuries at Juventus.

He said: "It's obviously been a very frustrating period for me over the past couple of years picking up several niggling injuries.

"When you go to a new club, you want to hit the ground running, to

show everyone what you're capable of doing consistently.

"Injuries that set you back a couple of weeks prevents you generating any rhythm."

One deal that has already been confirmed is ERIC GARCIA moving from Manchester City to Barca.

The defender's contract expires at the end of June and he will join the Catalans then.

#### **Regular**

City turned down £15m for him last year and the 20-year-old's deal at the Nou Camp includes a huge £350m buyout clause!

Garcia came through the famous Barca academy before moving to Manchester in 2018 but he has never nailed down a regular place.

Chelsea boss Thomas Tuchel is

not resting on his laurels after winning the Champions League and is on the trail of three forwards.

He wants to bring back ROMELU LUKAKU from Inter Milan but is also keen on ERLING HAALAND although the Norwegian is thought to be staying at Borussia Dortmund for one more season.

Lukaku has had an £80m price tag slapped on him after bringing the Italian title back to the San Siro.

He scored 24 times with 11 assists but that fee is a hefty one for the 28-year-old.

One deal that looks more likely is ADAMA TRAORE from Wolves.

Tuchel has been given £200m to spend on players in his first proper transfer window since taking over from Frank Lampard.

Traore could seek to leave the

Pochettino  
and Conte

## Poch v Conte to take over as Spurs boss

TOTTENHAM face a choice between Mauricio Pochettino and Antonio Conte for their next manager.

Both men have declared they want the hotseat at the new White Hart Lane — and both have pros and cons.

Pochettino was sacked by Spurs 18 months ago after a poor start to the season following the disappointment of losing the Champions League final.

There is always a worry about a manager going back for a second spell as things never seem to work out as well.

Another issue with the Argie is Paris St Germain will want a big compo payout to release him from his current contract.

That could be helped by Zinedine Zidane waiting in the wings to take over — although the French legend has close links with Marseille which makes life a little difficult.

For Conte, he did a fantastic job to win Inter Milan their first Serie A title in a generation.

He then walked out after the club reportedly ordered him to sell his star players to balance the books in the pandemic.

His baggage is clear as Spurs fans will need a lot of convincing to accept a former Chelsea gaffer as their new chief.

Many Tottenham supporters hope the return of Pochettino could persuade Harry Kane to stay as they get on well. And the

**WAITING: Zidane**

bookies think it's a done deal for Mo Po.

He is overwhelming favourite at the head of the betting with odds of just 4/5 — but they were even shorter last week.

It's 6/1 about Conte which is the same as Ajax gaffer Erik Ten Hag who is also keen on moving to north London.

The only other name in the frame according to the bookies is current Belgium boss Roberto Martinez at 8/1.

## Ancelotti the Real deal

REAL Madrid want Carlo Ancelotti back to replace Zinedine Zidane as their manager.

The Italian endured a modest season at Everton with the Toffees slumping to tenth despite making a bright start under the Italian.

Reports in Spain suggest Real are looking for a safe pair of hands after Zidane led them to their first campaign without silverware in a decade.

With Mauricio Pochettino looking set for a Spurs return, their former gaffer is top of the list.

The 61-year-old led Real from 2013-2015 and won the Champions League and Club World Cup honours during that spell.

Eddie Howe and Nuno Espirito Santo are the early names in the frame to replace the Italian at Goodison with both men currently free agents.

**CHELSEA  
TARGET:**  
Traore

Midlanders now that Nuno Espirito Santo has gone.

It is thought that Wolves would demand around £30m for the wide man although they could accept wantaway TAMMY ABRAHAM in a swap deal.

The England striker hasn't had a look-in under Tuchel and Wolves' lack of striking options cost them dear this season.

He is valued at around £30m too by the Bridge boys who would like a straight swap.

SERGIO RAMOS is a surprise name in the frame to sign for Man City this summer.

The Real Madrid legend has been left out of the Spain squad for the Euros and is out of contract at the Bernabeu at the end of this month.

Pep Guardiola would like to bring

his experience to the Premier League and could do a deal that saw the 35-year-old spend next season at Eastlands before joining New York City in 2022.

PHILLIPE COUTINHO is back on the transfer merry-go-round with Barcelona hoping Liverpool will take him back.

The Anfield giants would then cancel the £40m still owed by the Catalans from their £142m deal in 2018.

The Brazilian wants a reunion with Jurgen Klopp but the way he left the club still rankles. He has never settled at Barca and was loaned out to Bayern Munich for the 2018-19 season.

A knee injury limited him to 14 appearances for the Catalans last term.

# STERLING CRAZY

## North London giants fight for Raheem

**SPURS and Arsenal are in a battle for Raheem Sterling's signature.**

The England forward is surprisingly facing the exit at Manchester City after a modest season by his high standards.

Pep Guardiola's men are trying to use him as part of a deal to take Harry Kane from Spurs. The Premier

By JOHN ANTHONY

League champions have reportedly offered Sterling plus Gabriel Jesus AND cash to get Kane.

But that move could be scuppered by the Gunners who are prepared to offer straight cash for the former Liverpool attacker.

City have decided to cash in on Sterling thanks to the

rise of Phil Foden. Pep has made the youngster first choice in his forward line and wants to add Kane this summer.

The England skipper has gone on record to say he'd love to play alongside Kevin De Bruyne who would provide assists galore.

The sticking point on the Spurs swap deal is likely to be Sterling's massive

£300,000 a week wage packet. It's unlikely that Daniel Levy will want to fork out that much on top of the near £100,000 a week Jesus will be trousering.

Arsenal could see Sterling as the ideal signing to calm unrest among the fans.

They are already paying Aubameyang £300,000 so could stomach Sterling's demands.
